

## Tasmanian Circuit Racing Championship Round 6

The Hobart Sporting Car Club invite you to compete at Round 6 of the 2021 Tasmanian Circuit Racing Championship, to be held at Pepsi Max Baskerville Raceway on Saturday 20 November and Sunday 21 November 2021. Qualifying will be on Saturday morning, with racing commencing on Saturday afternoon and concluding on Sunday afternoon.

COVID-19 restrictions remain in place and we will respect the current government rules in relation to a maximum of 1000 people being permitted at the circuit. These regulations are consistent with what was in place at the time of the two other TCRC events we have hosted earlier this year. We understand that this is not ideal, but we should remain thankful that we can still go racing. We have had to restrict your entry to 3 Pit Crew, consistent with arrangements that were in place for TCRC 4. This will still allow us to have a crowd on the hill.

All competitors and pit crew will be expected to sign into the track at the main gate on arrival. If your crew's names have not been registered as part of the online entry, they will not be permitted to enter the track without payment. It is our intention to provide competitors with packs which will contain passes for their nominated pit crew/family members. For those at practice on Friday we will look to provide these with you then. They will also be held at the ticket box/shipping container on Saturday morning.

We are now live on the Motorsport Australia event entry system. This system is new to us, and we are working on a few things to improve the experience for future events that we organise.

For this meeting you will be required to complete and return the following forms (please save the document after you have filled it in and before returning);

- Statement of Vehicle compliance
- Self-scrutiny checklist – Race or Speed depending on which category you are competing in
- Car Club membership if **not** a HSCC member

These forms will be found on the Hobart Sporting Car Club website. Once completed, they can be emailed to [race.secretary@hobartsportingcarclub.org](mailto:race.secretary@hobartsportingcarclub.org). We ask that all forms are fully completed. We require a scanned copy of your Club Membership card if you are not a current member of the HSCC, showing your member number and expiry date. If any of the forms are not fully completed, the entry will be returned to the competitor until it complies. Self-scrutineering must be conducted by the competitor and spot checks will be carried out during the day.

Drivers briefing, which is compulsory and always at 8.30am, will be held outside under the control tower.

Please return your entry as soon as possible to help us organise the event schedule and print the event program in a timely manner.

Entries close at 11:59pm on Thursday 11 November 2021.

HSCC will be running private practice on 19 November 2021. For those that want to get their eye in before the event, the cost of practice is \$100 and will run from 9.30 am 'til 4pm.
